## MESA STARTS RED CROSS SEAL WORK

MESA, Dec. 6.—The work of distributing the Red Cross seals in Mesa, Chandler and Gilbert is now being brought before the people of these towns by President James W. Lesueur and Rev. Francis Bloy, who have been selected to organize the work in the places named. These gentlemen will visit the schools and outline for the pupils the plan of selling. One hundred seals will be left in each room of the various schools and when these are sold there will be given to the room a health chart both attractive in design and useful in that it outlines a daily health program for boys and girls.

Yesterday afternoon Mr. Bloy was busy placing the seals in the local stores for sale and incidentally selling each merchant his dollar's worth.

As is well known, the Red Cross seals are sold for the purpose of raising the fund to carry on the work of the National Anti-Tuberculosis society. Arizona is asked to sell a million seals at a penny each. Of the amount thus raised, 10 per cent goes to the work of the Red Cross, 40 per cent to the National Anti-Tuberculosis society, and 50 per cent to the Arizona Anti-Tuberculosis organization. Miss Carroll Walton of Michigan, has been employed to work permanently in the state, enlisting in a general educational campaign, visiting the schools and various club and society meetings, explaining preventative measures to avoid the spread of the great white plague.

## False Alarm of Fire

The fire department with its usual accompaniment of hurrying autos made a quick run yesterday to the O. S. Stapley residence in the southeastern part of town, only to find a woodpile with a small blaze, creating all the excitement. Mrs. Stapley was calling for the store to tell one of her sons that the woodpile was on fire and the telephone operator understood that the house was burning and turned in the alarm.

## Mesa Bachelors Entertain

Several Mesa bachelors viz, Messrs. Harris, Dunn, Johns, Myers and Secretary Evans, the last not so much, but a widower by virtue of the fact that his family is in California, catered to a number of guests on Tuesday night at the home of Mrs. L. W. Stillwell. The guests were Mrs. Coffin, the Misses Coffin, Yocum, Dobbs and Mr. Vogel of Tempe and Messrs. Rice and Scott of Mesa. The dinner was prepared by said bachelors and said widower, and at last accounts all of the venturesome guests are yet alive and in no need of a physician. Following the banquet the party visited the Guild hall and enjoyed a dance.

## May Reduce Tax Rate

At the regular monthly meeting of the Mesa city council the matter of the tax rate for the coming year was discussed, it being ascertained that a rate of 52 cents on the \$100 would be sufficient. The rate for 1917 was 87 cents, making a reduction of 35 cents. The expense budget of 1917 was \$15,000 as against \$11,000 for the coming year.

## War Addresses at Women's Club

The Friday afternoon meeting of the Women's Club will be held at the Guild hall, beginning at 2 o'clock. The session will be in charge of the Civic department and the following speakers are on the program. G. A. Atinwall will discuss "Encampments of the Draft Army" from an officer's point of view, and A. G. Bartlett of the Evans School, recently returned from France will give his experience as an ambulance driver at the front.

## Baptist Church Banquet

The members of the Baptist church enjoyed a banquet on Tuesday night, which was held in the church building, and under the direction of a committee of which Mrs. B. H. Van Spanckereen was chairman. Rev. D. C. Williams who addresses on Church efficiency, presided as toastmaster, and those responding were S. F. Davis, Mrs. Braden, E. B. Crosswell and W. F. Day, the last named of Phoenix. In addition there were vocal solos by Mrs. Raymond Ingraham and Miss Lois Wendel, a piano solo by Truman Paisley and a reading by Miss Gladys Clark. Those present reported a delightful evening.

## WINSLOW HIGH TO PLAY TEMPE HIGH

TEMPE, Dec. 6.—Winslow high school basketball team is coming down to Tempe this week and play a double header game. Thursday afternoon the team will play the local high school team and get into practice to play the Normal team Friday afternoon. Both games will, no doubt, be interesting to all basketball fans.

## Play Well Attended

A large crowd saw the performance of the Redmond Musical company Tuesday evening in "A Thief in the House." The show was distinctly different from anything seen in Tempe and therefore enjoyed. A three-piece orchestra accompanied the company as also did the chorus girls of the company. The dances of the chorists were good and received a number of encores. Perhaps among the members of the excellent cast, Susie of Sioux City, Mrs. Howell and Nicolas King, the latter played by Redmond himself, were the most complimented although Parks the butler, drew his share of admiration. All the characters played their parts exceptionally well and Tempas appreciated the generosity of the company in their work for the local Red Cross.
